Coronavirus and the Congregation

As new cases of the coronavirus (CoVid-19) are reported in the United States and around the world, the congregation is called to education and caution. Here are a few basic guidelines.

We ask that you follow these precautions even if you yourself are not at risk, as many members of our community are at a high risk.

- Wash your hands frequently—use soap and water and scrub for at least 20 seconds.
- Sneeze or cough into the crook of your elbow or a tissue, not your hand. Wash immediately after coughing, sneezing or blowing your nose.
- Avoid touching your face, especially your mouth, nose and eyes, with unwashed hands.
- Regularly disinfect frequently touched surfaces including keyboards, elevator buttons, and door knobs.
- Use hand sanitizer.
- Avoid close contact with someone who is sick.
- Stay home if you are sick.
- Greet others in non-physical or low-contact ways, especially during coffee hour.
